Describe your objective or attach a brief. VOW Agent will structure the inputs and show what still needs your review.

Describe the campaign you want to plan...

Attach briefPDF, DOCX, XLSX, CSV or PPTX

VOW Agent can make mistakes. Review important campaign details.

1 - History

Icon changed from the chevron to a history mark, since it no longer expands the rail. Toggles the flyout; scrim click or X closes it.

2 - New chat

Clears the workspace back to the empty Start planning state. Current chat stays in history.

3 - Campaigns (proposed)

History lists conversations; this lists the campaigns those chats produced, by status — draft, accepted, live. It answers "where is that plan I approved" without scrolling chat titles.

Change deals Done

7a Three shapes — select or modify Balanced is the suggested shape; Select applies its default groups.

Mega Toothpaste 2023 — Prime Video DRAFT Strategy plan DRAFT 100% complete

Deals are locked. Targeting is optional. Reading the brief and the deals, three shapes are worth considering — they differ in how many groups I would apply, not just how tight each one is.

Narrow 1.35M unique - 4.1x frequency
Highest relevance, smallest pool.

GROUPS APPLIED

Household income	4 values
Age	3 values
Device	4 values
Purchase intent	3 values
UK postcode districts	6 values

Select Modify

Balanced 2.4M unique - 3.2x frequency
Suggested for an awareness goal at £48k.

GROUPS APPLIED

Household income	4 values
Age	5 values
Device	4 values
Household composition	3 values

Select Modify

Wide 3.6M unique - 2.4x frequency
Maximum unique reach, least filtering.

GROUPS APPLIED

Age	6 values
Device	4 values

Select Modify

Balanced applies four groups: household income, age, device, household composition. Select it to take those defaults, or open Modify to change the values group by group.

Drop household income Add a group I don't see Skip targeting
